Qualification:

Master's in Clinical Psychology – IGNOU

Bachelor's in Microbiology – SRTM University

Experience:

Currently working as a Mental Health Associate (Admin & Execution) at Eklavya Foundation for Mental Health since April 2024. Her role includes managing office documentation, accounts and expenses, handling calls and appointments for patients and caregivers, and participating in support group meetings, reporting them, and event coordination. She also contributes to the Eklavya newsletter, represents the foundation at NGO events, supports various community mental health initiatives.
