Qualification: B. Com

Experience in years:

38 years service experience in Cummins India Ltd.Pune in various areas of finance department. 9 years of experience as mental health volunteer .

Awards/certifications: Best employee of the year award.

Brief summary :

I retired from CIL in 2012 . Before that I was volunteering for SAA on my nonworking days or whenever I could . Here I understood the need n importance of volunteering . Hence I started volunteering on full time basis after my retirement where I looked the accounts part , the legal compliances and wherever the help was needed . Then I was given the position of treasurer .

I was fortunate enough to learn the working of NGO , accounts and the legal issues of NGOs .

Today I am with Eklavya Foundation for Mental Health as a Treasurer and participate in different activities of the foundation .
